

# Energy Party

*Everything is made of Energy. Energy is the Problem and Energy is the Solution.*

Imagine there was a way to feel better, have more vitality, and keep your body's energy systems in balance. Imagine that all you need to do is use your hands or even just your mind to make it happen. What would that be worth? What if you could begin to learn these things in a fun, comfortable in-home party atmosphere for less than \$50.00?

An Energy Party is unlike any other home party you've been to. There is nothing to buy at this party. No make-up, food containers, jewelry, candles, home decorations, supplements, or chef supplies. You will receive handouts, tools, and training that can change your life and the lives of the people that you care about. It works on babies, children, adults and even pets!

Information is presented at the party in a hands-on demonstration format. You'll see the techniques and then try them out right there at the party. Just one of the following topics is worth the admission price alone and we cover them all and more at the party!

<b>Improve Your Energy</b>	<b>Improve Your Memory</b>	<b>Boost Your Immune System</b>
<b>Reduce Pain</b>	<b>Reduce Stress</b>	<b>Reduce Breast Cancer Risk</b>
<b>Fight Depression</b>	<b>Overcome Insomnia</b>	<b>End Migraines</b>
<b>See how your cell phone, computer, fluorescent lights and other EMFs affect your body</b>		
<b>Discover how to determine which foods your body needs and which ones you should avoid</b>		
<b>Understand how Energy Medicine compares to Allopathic (Western) Medicine</b>		
<b>You'll also learn why conditions such as Allergies, Alzheimer's, Arthritis, Cancer, Chronic Fatigue, Clogged Arteries, Diabetes, Dyslexia, Epilepsy and many other devastating illnesses can be helped without drugs, special supplements, surgery or costly hospital visits!</b>		

Party admission is \$45.00 per person. Light refreshments will be served.

# **Energy Party**

## **Host information:**

**Parties must have a minimum of 5 guests other than the host. Parties are limited to 12 total participants. All guests (other than the host) regardless of age or past participation must pay the admission fee.**

**The host will receive a free 60 minute energy session (\$80.00 value) of their choice either immediately prior to or after the party. The host can gift this session to another designee if they so choose.**

**The host will receive \$25.00 cash for each party that is booked by a guest of their party.**

**The host is responsible for providing light refreshments for their guests.**

**An area capable of comfortably seating the number of invited guests plus floor space equal to at least 3 feet by 7 feet is needed for demonstrations.**

**The party will last approximately two and a half hours.**
